

The background of the slide features a large, faint, circular seal of the State of Delaware. The seal contains the text "SEAL OF THE STATE OF DELAWARE" around the top and "1704 • 1776 • 1787" around the bottom. In the center of the seal is a figure of a person standing, holding a staff and a scroll.

Social and family gatherings remain a significant concern for transmission risk

20 relatives attended a family gathering, including a teen exposed to COVID-19 before the trip

14 relatives shared a house

Didn't stay 6 feet apart

Didn't wear masks

11 relatives of teen developed COVID-19

6 relatives visited but didn't stay in the house

Stayed 6 feet apart

Visited outside

4 were tested; all tested negative

None developed symptoms

Prevent spread of COVID-19 while visiting family and friends

- ✓ Stay 6 feet from others
- ✓ Wear masks
- ✓ Stay outside
- ✓ Avoid gatherings where it's not possible to stay 6 feet apart

COVID-19 Vaccine Planning

- **First draft of Delaware's overview** for the CDC Vaccination Program Interim Playbook for Jurisdiction Operations **is due to CDC on Friday.**
- **There are still many unknowns.**
 - *We have spent months planning for various scenarios.*
- **We will provide regular updates during press briefings as plans move forward.**

COVID-19 Vaccine Planning

PLANNING PROCESS:

- Share draft with CDC
 - Receive more definitive strategies from federal government
 - Invite external partners to participate
- **Delaware will not distribute a vaccine that is not shown to be safe and that has not gone through FDA approval or EUA process.**
